

When LVMPD hires a new Police or Corrections recruit, we realize that it's a commitment from the entire family. We want to help with your transition into the Las Vegas community and assist with your relocation needs.

The Household Inclusion Recruitment and Employment (H.I.R.E.) program was implemented to assist our out-of-area employees and their families in acclimating to the Vegas Valley area.

THERE ARE SEVERAL AREAS IN WHICH THE H.I.R.E. PROGRAM CAN HELP YOU:

- **FAMILY GUIDANCE** – local education alternatives, sports leagues, places of worship, family member employment assistance
- **HOUSING** – assistance with finding temporary or permanent housing
- **ACTIVITIES** – local hobbies, clubs, fraternal organizations, pet resources
- **SOCIAL** – encourage and assist the recruit's families to interact with and support each other

Las Vegas is an amazing and exciting town to visit as well as live. Though commonly portrayed as just a tourist attraction, there are many advantages to making this "24-hour town" your home.

Thousands of families live and thrive here. The famous "Strip" is a small portion of our city. You can take advantage of the multitude of entertainment opportunities, cultural events and recreational activities while discovering why more than a million people consider this growing city their hometown.

We know that moving to any new area is overwhelming. Las Vegas can be a culture shock to those not used to our unique community, and it can take a while to acclimate. The H.I.R.E. program will act as a liaison until your family considers this city "home."
