

**AN EXCITING CAREER
IN AN EXCITING CITY.**

Bustling with energy, Las Vegas boasts one of the sunniest climates in the country. Perfect for outdoor recreational opportunities, including 27 golf courses. You can ski in the morning at nearby Mt. Charleston, and water ski that same afternoon at Lake Mead. Las Vegas also is within driving distance of the Grand Canyon, Zion National Park, Utah ski resorts and Southern California attractions.

A vibrant community in one of the fastest growing cities in the nation, Las Vegas offers outstanding school systems, numerous cultural activities, the excitement of professional Triple-A Baseball and collegiate sports. And, of course, Las Vegas still reigns as the Entertainment Capital, home to the top 10 resort hotels in the world. No wonder an average of 6,000 people a month are moving to this remarkable Southwestern community.
